

MCI Project Weekly Time Sheet

Team Team 07 Student ID a1781257

Week starting:

20/03/2023

Day	Date	Time In	Time Out	Total hours	Task	How does it fit its project plan?	Outcome/Next action
Monday	20/03/2023	9:00 AM	1:00 PM	4	Practiced pitch presentation team review, wrote speech, adjusted PPT based on feedback.	Improving the pitch presentation and PPT helps to effectively communicate the project's goals and objectives to potential users. Ensure all the contents are covered in the team presentation.	Summarised the resource lists for this week team meeting to communicate with other team members
		5:00 PM	7:00 PM	2	Organized team meeting and changed backend framework based on research findings.	Changing the backend framework to better suit the project's needs helps to improve the functionality of the web tool.	The new backend framework is more useful and effective for the APIs we found for this project.
Tuesday	21/03/2023	2:00 PM	7:00 PM	5	Read lecture materials on business case and draft plan to provide reference framework for team.	Understanding the business case and having a draft plan provides the team with a clear direction for the project.	he reference framework can be used to guide the team in Business Case and Draft Plan.
Wednesday	22/03/2023	8:00 AM	10:00 AM	4	Read tutorial materials and practiced pitch presentation. Particed the pitch presentation speech.	Understanding the concept aspects of the business case and improving the pitch presentation helps to effectively communicate the project's goals and objectives to potential users.	Record the presentation of my part.
		4:00 PM	8:00 PM	4	Recorded pitch presentation.	Making prograss on the pitch presentation for the client and other target users of the project.	Combine the recordings together and review.
Thursday	23/03/2023	8:00 PM	10:00 PM	2	Learned Bootstrap and CSS on FreeCodeCamp.	In order to construct a straightforward web application that offers a user-friendly interface for translating code across computer languages, it is imperative to learn and apply frontend frameworks.	Find a React Boststrap font end template that suitable for this project.
Saturday	25/03/2023	1:00 PM	7:00 AM	3	Learned Bootstrap and CSS, searched for React Bootstrap frontend templates and discussed progress with team in chat.	Learning and utilizing frontend frameworks helps to improve the user interface of the web tool.	Learning and utilizing frontend frameworks helps to improve the user interface of the web tool.
